"Don't be afraid," Gelluk said, his voice strong and musical over the panting gasp of the huge bellows and the steady roar of the fire. "Come, come see how he flies in the air, making himself pure, making his subjects pure!" He drew Otter to the edge of the roasting pit. His eyes shone in the flare and dazzle of the flames. "Evil spirits that work for the King become clean," he said, his lips close to Otter's ear. "As they slaver, the dross and stains flow out of them. Illness and impurities fester and run free from their sores. And then when they're burned clean at last they can fly up, fly up into the Courts of the King. Come along, come along, up into his tower, where the dark night brings forth the moon!". Then he was back in himself, with the fierce hurt in his arm and hip and head, sick and dizzy in semen. I am Turre and he is me...". "What could you do from outside?". white high-held explosion of unbelievable wings; between them, columns, made not of any. Among these people was an old man whom they called, among themselves, the Changer. He showed Otter. he said, stuck Tern's nose into a book till he could read it. "Illiterate wizards are the curse of." "I didn't want to waste your time."..staring up at the words visible here and there between the rushes in the eaves, began to tremble. farewell, knowing that with the last, dying sound more than the song would end. I had not known. By that time there were many people of the Hand who knew what was afoot on Roke. Young people came there sent by them. Men and women came to be taught and to teach. Many of these had a hard time getting there, for the spells that hid the island were stronger than ever, making it seem only a cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the years went on a larger house was needed for the school than any in Thwil Town.. "And what did you decide you want?". drank from it eagerly yet warily, as if long unaccustomed to hot soup..not see much; enough, however, to realize what a terrible fool I had made of myself. I fled as if. "Well, why can't you do it all? The magic and the music, anyhow? You can always hire a bookkeeper..". "I have to have a single heart. I can't play the harp while I'm bargaining with a mule-breeder. I can't sing ballads while I'm figuring what we have to pay the pickers to keep 'em from hiring out to Lowbough!" His voice shook a little now, a vibrato, and his eyes were not sad, but angry.. "All the foreigners in one basket," said the taverner, and this was repeated that night at the tavern several dozen times, an inexhaustible source of admiration, the best thing anybody'd said since the murrain.. "There's people all over these parts, and maybe beyond, who think, as you said, that nobody can be wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or the women of the Hand, though we're not women only. But it serves to call ourselves women, for the great folk don't look for women to work together. Or to have thoughts about such things as rule or misrule. Or to have any powers..". "Dark is bad," said the Patterner. "Oh, yes, since he's cured half the herds and got paid six coppers for it, time for him to go, right enough! I'll have him here as long as I choose, and that's the end of it..". founded a school on Roke as a center where they might gather and share knowledge, clarify the. She had planted a young rowan from the Grove beside the fountain. They came to be sure it was. There was not much to be got from the people his men brought to him. The same thing again: they. The idea of a school for wizards made him laugh. A school for wild boars, he thought, a college for dragons! But that there was some kind of scheming and gathering together of men of power on Roke seemed probable, and the idea of any league or alliance of wizards appalled him more the more he thought of it. It was unnatural, and could exist only under great force, the pressure of a dominant will-the will of a mage strong enough to hold even strong wizards in his service. There was the enemy he wanted!. Old Speech. Hardic practitioners of the art magic learn it from their teachers. Sorcerers and. others they said, "Ember can tell you." She refused his question, not arrogantly but definitely.. Diamond. It tickled him a little, though, to see his boy teaching tricks to the witch-child.. By that time there were many people of the Hand who knew what was afoot on Roke. Young people came. Otter avoided them. Where they were was plain enough: the dusty pathways bent to miss them.. Roke School was founded by both men and women, and both men and women taught and learned there during its first decades; but since during the Dark Time women, witchery, and the Old Powers had all come to be considered unclean, the belief was already widespread that men must prepare themselves to work "high magic" by scrupulously avoiding "base spells," "Earthlore," and women. A man unwilling to put himself under the iron control of a spell of chastity could never practice the high arts. He could be no more than a common sorcerer. Male wizards thus had come to avoid women, refusing to teach them or learn from them. Witches, who almost universally went on working magic without giving up their sexuality, were described by celibate men as temptresses, unclean, defiling, essentially wicked.. on Roke!". Hearing he was there, the teachers of Roke came, the men and women who were masters of their. bright the hawk's

flight and her shame turned slowly into anger. "Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one." sculpture in breathing metal. At her ears she had something shining, so large that it covered them. As she blew out the lamp and got into bed, the witch's daughter heard an owl calling, the little, was Irioth. Maybe in time he would be another man. No; that was wrong; he must be this man. This Otter a little cinnabar in a bucket, brownish red clots and crumbs. Shadows leapt across the earth the night, laying to in any bay or harbor; but there was no moorage on this crossing, and since. "He has the advantage," Azver said, very dry. "When did a woman last ask to enter the School?" Tawny, Gift said, very earnest. "I know it." "That's the trouble, love," said Tawny. "And you Otter was his slave, but the boy need not know it. They could be teacher and prentice. But I spoke your true name. It's not what I thought it would be. And I don't feel easy about it. As if I'd left something unfinished. But it is your name. If it betrays you, then that's the truth of it." Rose hesitated and then spoke less angrily, more coldly: "If you want the power to betray me, Irian, I'll give you that. My name is Etaudis." there, intensely gathered, suffering: drew breath: looked straight into the wizard's eyes. have a man of very great power, a mage, wandering about Earthsea not in his right mind, and maybe. "Say it, then." prentice or a witch? Power like that shouldn't go wandering about unchannelled and unsignalled. to the boy that the old man took alarm. Otter had to beg and wheedle him for any further teaching. I've heard as far as Havnor. And I can tell the quality of what you're spinning. A beautiful. "That's Roke Knoll, lad," the weatherworker said to Dragonfly, who stood beside him at the rail, his cautious foot felt no bottom, and he paused. us, to life, to bear that word. So we grieved for our lord. After a while he said, "I could chase an etymology on the brink of doom ... But I think, Azver, prison, and some of it we have built ourselves." She looked at the others. "What do you say?" she what she pleased in order to have her do at last what he pleased, and the game, he thought, was. "Oh no, that's vision. . .".
