The so-called Six Hundred Runes of Hardic are not the Hardic runes used to write the ordinary language. They are True Runes that have been given "safe," inactive names in the ordinary language. Their true names in the Old Speech must be memorised in silence. The ambitious student of wizardry will go on to learn the "Further Runes," the "Runes of Ea," and many others. If the Old Speech is endless, so are the runes.. over wizardly powers and widespread misuse of them, magic came into general disrepute.. something was being written -- letters -- by a sharp flame encased in alabaster: TELETRANS. When Diamond put the lists of names to tunes he made up, he learned them much faster; but then the tune would come as part of the name, and he would sing out so clearly-- for his voice had re-established itself as a strong, dark tenor -- that Hemlock winced.
