A long robe of Lorbanery silk, scarlet, embroidered in gold and black with runes and symbols, and a wide-brimmed, peak-crowned hat made him seem taller than a man could be. Otter did not need to see his clothes to know him. He knew the hand that had woven his bonds and cursed his nights, the acid taste and choking grip of that power..after the men were gone did some neighbors creep out to comfort Otter's people as best they could..could stab her with..The history of the Fourteen Kings of Havnor (actually six kings and eight queens, ~150-400) is told in the Havnorian Lay. Tracing descent both through the male and the female lines, and intermarrying with various noble houses of the Archipelago, the royal house embraced five principalities: the House of Enlad, the oldest, tracing direct descent from Morred and Serriadh; the Houses of Shelieth, Ea, and Havnor; and lastly the House of Ilien. Prince Gemal Seaborn of Ilien was the first of his house to take the throne in Havnor. His granddaughter was Queen Heru; her son, Maharion (reigned 430-452), was the last king before the Dark Time..He hard-boiled the three new eggs and one already in the larder and put them into a pouch along with four apples and a bladder of resinated wine, in case he had to stay out all night. He shrugged arthritically into his heavy cloak, took up his staff, told the fire to go out, and

One heir mismanaged his estate through greed, the other through foolishness. One had a daughter who married a merchant and tried to run her estate from the city, the other had a son whose sons quarrelled again, redividing the divided land. By the time the girl called Dragonfly was born, the domain of Iria, though still one of the loveliest regions of hill and field and meadow in all Earthsea, was a battleground of feuds and litigations. Farmlands went to weeds, farmsteads went unroofed, milking sheds stood unused, and shepherds followed their flocks over the mountain to better pastures. The old house that had been the centre of the domain was half in ruins on its hill among the oaks..sinking deep in velvet mud. He craved an enemy: an opponent worth destroying..Medra had come to Havnor thinking that because he meant no harm he would do no harm. He had done irreparable harm. Men and women and children had died because he was there. They had died in torment, burned alive. He had put his sister and mother in fearful danger, and himself, and through him, Roke. If Early (of whom he knew only his use-name and reputation) caught him and used him as he was said to use people, emptying their minds like little sacks, then everyone on Roke would be exposed to the wizard's power and to the might of the fleets and armies under his command. Medra would have betrayed Roke to Havnor, as the wizard they never named had betrayed it to Wathort. Maybe that man, too, had thought he could do no harm..You have told me," Veil said..My teacher had no staff, Dulse thought, and at the same moment thought, He wants his staff from..From time to time in the years since then, Dulse remembered how he hadn't lost his temper when Silence asked about keeping goats; and each time the memory gave him a quiet satisfaction, like that of finishing the last bite of a perfectly ripe pear..But power - like you told me about - that ..isn't the same as making people do what you want, or..danger, we met to choose a new Warden of Roke, an Archmage to guide us. The Doorkeeper came back and said, "Come, Irian, and meet the Masters of Roke." Her heart began to go at a carthorse gallop. She followed him through the maze of corridors to a dark-walled room with a row of high pointed windows. A group of men stood there, and every one of them turned to look at her as she came into the room..The Doorkeeper shook his head, agreeing..galley we're building? Use your head, boy!" "Oh, there," cried the girl, "the rast on the vuk, your rast, you can make it, hurry!" to see truly can see him as he is, the lord of all substances. The root of power lies in him. Do. He had not planned or intended any such adventure, but crazy as it was, it suited him better the more he thought about it. The prospect of spending the long grey winter at Westpool sank his spirits like a stone. There was nothing here for him except the girl Dragonfly, who had come to fill his thoughts. Her massive, innocent strength had defeated him absolutely so far, but he did what she pleased in order to have her do at last what he pleased, and the game, he thought, was worth playing. If she ran away with him, the game was as good as won. As for the joke of it, the notion of actually getting her into the School on Roke disguised as a man, there was little chance of pulling it off, but it pleased him as a gesture of disrespect to all the piety and pomposity of the Masters and their toadies. And if somehow it succeeded, if he could actually get a woman through that door, even for a moment, what a sweet revenge it would be! "Col. . . ?" I heard; the word had probably been said more than once, but I did not
