We're the ideal place to get for the book that is referred. And your time to obtain this guide as among the compromises has become ready. "Yours is a harder job than mine," Lipscomb told Grace, dandling Angel as he spoke. "I have no doubt of that." For an instant, his attention had been distracted by Vanadium's presentation of his empty hands. Nevertheless, there was no way the cop could have snatched the coin out of the air. The musician's bird-sharp gaze grew dull. His pink tongue protruded from his mouth, like a half-eaten worm. In reality, it had been a homely device, a mere box. In memory, it seemed ominous, charged with the evil portent of a nuclear bomb. Judging by Grace's expression when Paul plucked the chest off the floor, he figured it was heavy. He had no way of knowing for sure, because he was in a weird state, so saturated with adrenaline that his heart squirted blood through his arteries at a speed Zeus couldn't have matched with the fastest lightning bolts in his quiver. The chest felt no heavier than a pillow, which couldn't be right, even if it was empty. Indeed, subconsciously, she had known that Nella was gone since receiving the call at 4:15 this morning. When the old woman had finished what she needed to say, the silence on the line had been eerily perfect, without one crackle of static or electronic murmur, unlike anything Celestina had ever heard on a telephone before. The boy's silvery giggles rang as merrily as sleigh bells, his Christmas spirit undampened. "Not between, Mommy. Nobody could do that. I just ran where the rain wasn't." Celestina White was the center of attention, always surrounded by champagne-swilling, canape-gobbling bourgeoisie who would have been shopping for paintings on velvet if they'd had less money. When at last he spoke, real grief, quiet but profound, softened his voice: "March first, three years ago, my wife and two sons-Danny and Harry, both seven, twins-were coming home from visiting her parents in New York. Shortly after takeoff ... their plane went down." In his room, he settled on the bed with his constipating snacks and the county telephone book. Because he had packed the directory with the Zedd collection, the thief hadn't gotten it. Prosser-fifty-six, a widower, an accountant-had a thirty-year-old daughter, Zelda, who was an attorney in San Francisco. Junior had driven to Terra Linda previously, to research the accountant; he already knew Prosser had no connection to Seraphim's fateful child. Yet that evening, when she'd accepted his proposal and asked if he wasn't frightened, he said, "Not anymore." Tom Vanadium's uninflected but curiously hypnotic voice, his pensive manner, his gray eyes so beautiful in that fractured face, his air of measured melancholy, and his evident intelligence gave him a presence that was simultaneously as solid as a great mass of granite and yet otherworldly. In a state of wonderment that was laced with dread rather than delight, he looked up from the quarter, seeking an explanation from Vanadium, expecting to see that anaconda smile. According to the brief biographic note with the picture, Celestina White was a graduate of San Francisco's Academy of Art College. She had been born and raised in Spruce Hills, Oregon, the daughter of a minister. The dining room again, but this time he remembered how he had gotten here: by way of the living room. He got everything he ordered-full value, and more. When he lifted off the top of the bun to squeeze mustard onto the burger, he discovered a shiny quarter pressed into the half-melted cheese. He might suspect, but he couldn't know. He would but would be left with at least a shred of doubt about Junior's. The first was an ace of hearts. This, Maria said, was a very good card, indeed. It meant that Barty would be lucky in love. He raised one hand to halt the genteel debate. "The whole reason I stopped here first, before taking you folks on to my place, is so I wouldn't have to bring your suitcases back after Agnes won you over. This is where you'll be happiest, though you're always welcome if she tries to work you to death." The stems, thorns sharp against his tongue. And then Agnes. Agnes in the yard, screaming. Thursday evening, his third in the hotel, he returned to the lounge for cocktails and another steak. The same tuxedoed pianist provided the entertainment. Friday brought Scamp again, all of Scamp, all day, every way, wall-to-wall Scamp, so on Saturday he hadn't enough energy to do more than shower. The patches were held by the same two elastic strips, so Barty flipped up both at the same time. A pathologically suspicious cop, aware of Junior's acute.; emesis following Naomi's death, might imagine a connection between this epic bout of diarrhea and Victoria's murder, and Vanadium's disappearance. Here was an avenue of speculation that he did not want to encourage. Celestina hadn't noticed the infant being taken away. She had wanted to see it once more, even though she was sickened by the sight of it. His inner turmoil boiled ever more fiercely, and the external evidence of it grew more obvious. In the cool air of the fading afternoon, he perspired as profusely as a man already being strapped into an electric chair; it streamed, gushed. He shook, shook, and he was half convinced that he could hear his bones rattling together like the shells of hard-boiled eggs in a rolling cook pot. Since dealing with Victoria and the detective, Junior had taken pride in the fact that he'd kept his equanimity and, more important, his lunch. No acute nervous emesis, as he'd suffered following poor Naomi's death. Indeed, he had an appetite. FOLLOWING A SECOND NIGHT at the Sleepie Tyme Inne, waking at dawn, Junior felt rested, refreshed-and in control of his bowels. He snatched the woman's car keys off the pavement, slid behind the wheel of the Pontiac, and drove off to find a pharmacy, the only stop that he intended to make until he reached Spruce Hills. Startled, Nolly checked his shirt pocket and withdrew a quarter. "It's not the same one." Being blind had few consolations, but Barty found that not being able to look at his uncles' files and books was one of them. In the past, he never really, in his heart, wanted to see those pictures of dead people roasted in theater fires and drowned bodies floating in flooded streets, but a few times he peeked. His mom would have been ashamed of him if she'd discovered his transgression. But the mystery of death had an undeniable creepy allure, and sometimes a good Father Brown detective story simply didn't satisfy his curiosity. He always regretted looking at those photos and reading the grim accounts of disaster, and now blindness spared him that regret. "Stop it, stop it!" Agnes, only ten years old, slender and shaking, but wild with righteousness, until now held in thrall by her own fear, by the memory of all the beatings that she herself has taken. She screams at their father and strikes him with a book she's brought from the house. The Bible. She strikes their father with the Bible, from which he's read to them every night of their lives. He drops the roses, tears the holy book out of Agnes's hands, and pitches it across the yard. He rakes up a handful of the scattered

roses, intending to make his son resume this dinner of sin, but here comes Agnes once more, the Bible recovered, brandishing it at him, and now she says what all of them know to be true but what none of them has ever dared say, what even Agnes herself will never again dare to say after this day, not while the old man lives, but she dares to say it now, holding the Bible toward him, so he can see the gold-embossed cross upon the imitation-leather cover. "Murderer," Agnes says. "Murderer " And Edom knows that they're all as good as dead now, that their father will slaughter them right here, right this minute, in his rage. "Murderer," she says accusingly, behind the shield of the Bible, and she doesn't mean that he is killing Edom, but that he killed their mother, that they heard him in the night, three years before, heard the short but awful struggle, and know that what happened was no accident. Roses fall from his skinned and pierced hands, a flurry of petals yellow and petals red. He rises and takes a step toward Agnes, his dripping fists crimson with his blood and with Edom's. Agnes doesn't back away, but thrusts the book toward him, and scintillant sunlight caresses the cross. Instead of tearing the book out of her hands again, their father stalks away, into the house, surely to return with club or cleaver ... yet they will see no more of him this day. Then Agnes-with tweezers for the thorns, with a basin full of warm water and a washcloth, with iodine and Neosporin and bandages-kneels beside him in the yard. Jacob, too, comes forth from the dark crawlspace under the porch, having watched in terror from behind the latticework skirt. He is shaking, crying, flushed with embarrassment because he didn't intervene, although he was wise to hide, for the disciplinary beating of one twin usually leads to the pointless beating of the other. Agnes gradually settles Jacob by involving him in the treatment of his brother's wounds, and to Edom she says, often thereafter, "I love your roses, Edom. I love your roses. God loves your roses, Edom." Overhead, agitated wings quiet to a soft flutter, and the shrieking crows grow silent. The air pools as still and heavy as the water in a hidden lagoon within a secret glade, in the perfect garden of the unfallen.....In a red coat with a red hood, Bartholomew appeared first in the arms of the tall lanky man, the Ichabod Crane look-alike, who also had a large tote bag hanging from his shoulder..As he was wheeled headfirst into the operating room, Barty raised off the gurney pillow. He fixed his gaze on his mother until the door swung shut between them..Although the piano was at some distance and the restaurant was a little noisy, Kathleen recognized the tune at once. She looked up from her veal, her eyes full of merriment.."He's crafty, you say. Can you use him?".Scowling, Joey stared at the floor in puzzlement, shifted his weight from one foot to the other, sighed, turned his attention to the ceiling, and shifted his weight again, for all the world like a trained bear that couldn't quite remember how to perform its next trick..Returning the newborn to the nun, Celestina asked for the use of a phone, and for privacy..The reception was from six o'clock to eight-thirty. If she were to arrive on time, guardian angels would have to be perched on all the traffic lights along the way..Thus armored, he at last arrived in the city of Sacramento, an hour before dawn. Sacramento, which means "sacrament" in Italian and in Spanish, calls itself the Camellia Capital of the World, and holds a ten-day camellia festival in early March-already advertised on billboards now in mid-January. The camellia, shrub and flower, is named for G. J. Camellus, a Jesuit missionary who brought it from Asia to Europe in the eighteenth century.."You figure all this," Jolene asked, "because Mother Nature gives us a nice warm day in January?"."Or at least, if the police knew the truth at that time, they hadn't yet gone public with it. I had no reason to mention it to you back then. I didn't even know Vanadium was missing..".He didn't rely on sounds to help him find his way, though here and there one served as a marker of his progress. Twelve paces from his room, a floorboard squeaked almost inaudibly under the hallway carpet, which told him that he was seventeen paces from the head of the stairs. He didn't need that muffled creak to know exactly where he was, but it always reassured him..His mouth was dry when he said to Angel, "Well, it seems pretty magical to me-that flipped-coin trick..".After Agnes read the final words on the final page, Barty was drunk on speculation, chattering about what-might-have-happened-next to these characters that had become his friends. He talked nonstop while changing into his pajamas, while peeing, while brushing his teeth, and Agnes wondered how she would wind him down to sleep..Something was very wrong with her, and she tried to speak, but again her voice failed her.."I'm not going anywhere," she pledged. She had realized that his voice was growing heavy with sleep. "But it's time for you to go to dreamland..".More walls than not, in both rooms, were lined with bookshelves and file cabinets. Here he kept numerous case studies of accidents, man-made disasters, serial killers, spree killers: proof undeniable that humanity was a fallen species engaged in both the unintentional and calculated destruction of itself..He clenched the steering wheel tightly with both hands, clenched his teeth so fiercely that his jaw muscles bulged and twitched, and clenched his mind around a stubborn determination to get control of himself. Slow deep breaths. Positive thoughts..Phimie's eyes widened, her hand tightened painfully on her sister's hand, her entire body convulsed, thrashed, and she cried, "Unnn, unnn, unnn!".she'd crossed herself during Edom's rant about the Tri-State Tornado of 1925. Then, she'd been warding off bad fortune; now, with a smile and a look of wonder, she was acknowledging the grace of God, which, according to the cards, had been settled generously on Bartholomew..With his ringleted yellow hair, coiled mustache, and haughty right file, this was a jack that looked as if he might be a knave in the worst sense of the word.."You're the one who said your cold's just here. Maybe it stays in the kitchen, hoping it'll get a piece of pie..".A car waited at the curb in front of the park. Dr. Salks two associates stood beside it and seemed to have been there awhile..It's unsettling. For all our delight in the impermanent, the entrancing flicker of electronics, we also long for the unalterable.."So do I, honey. Oh, Lord, so do I." She kissed his forehead. "Listen, kiddo, in spite of their stories and all their funny ways, your uncles are good men..".The driver's door opened, shoving aside a damaged tea table, and a man climbed out of the Pontiac..If such a small quantity of crushed ice, taken in a single swallow, might cause.The Rolex. Because most of the trash in the huge bin was bagged, finding the watch would be easier than Junior had feared.."If Phimie wasn't here," Celestina said, "and then she came back, she was somewhere during that minute, wasn't she?".Someone she had known. Someone Celestina, too, might know. He lived in or around Spruce Hills, because Phimie had considered him still to be a threat.
