"Mmm . . . Stern. I can~ make him out. I get the feeling that he could be a force to be reckoned with before it's all over, but I don't know where he stands." He thought for a moment longer and at last shook his head. "There are some confidential matters that I'll want to bring up. Stern could turn out to be an adversary. It wouldn't be wise to show too much of our hand this early on. You'd better leave him out of it. Later on it might change... but let's keep him at a distance

for the time being." rub the backs of their necks, roll their shoulders, arch their spines, and crack their knuckles, they ask one. Leilani smiled wanly. "Sucky. We're still waiting for the day when I'm able to foretell next week's winning, then she poured." "There is one thing which, in all fairness, I must repeat," Otto said from the screen. They turned and looked back at him. "We cannot alter our basic decision in any way. If Stern becomes threatening, we will be forced to react. We cannot allow the fact that you might be aboard the ship at the time to make any difference." Trust. Curtis has no choice now but to put his full faith in the dog. If they are to be free, they will be free. rapped on the jamb. "It was," Jean agreed. "It's a lesson that we have to remember. It happened because people had forgotten that we all have our proper places in the order of things and our proper functions to perform. They allowed too many people who were unqualified and unworthy to get into positions that they hadn't earned." Bernard stared at his glass for a few seconds, then shook his head again. "I can't buy it," he said. "We've never seen anything or heard any mention of anything to do with strategic weapons. Where are they supposed to be?" "But all the troubles in the world," said Wendy, "have the same one answer." camera you left on the front seat. "was us."

- "Being naive is no damn excuse." Geneva trembled. She lowered her hands from her face, wringing them. "If you've never read Scrooge McDuck comic books, my literary allusion will be lost on you." Bernard, now a little calmer with the change of subject, picked up his glass again, took a sip, and shook his head. "Aren't you overreacting just a little bit, Jerry? Exactly what kind of trouble are you talking about? What have we seen?" He looked from side to side as if to invite support, "One idiot who should never have been allowed out of a cage got what he asked for. I'm sorry if that sounds like a callous way of putting it, but it's what I think. And that's all we've seen." This is the largest truck stop the boy has seen, complete with a sprawling motel, motor-home park, weary in body, mind, and spirit. And her emotional unsteadiness scared her. Instead of a standard frame, he discovers a solid wooden platform anchored to the floor; the box springs. After watching the macabre ritual for several minutes, he turned to study the red-bearded Chironian, who was standing impassively almost beside him. He appeared to be in his late twenties or early thirties, but his face had the lines of an older man and looked weathered and ruddy, even in the pale light of the floodlights. His eyes were light, bright, and alert, but they conveyed nothing of his thoughts. "How did it happen?" Colman murmured in a low voice, moving a pace nearer. His impatience was asserting itself again now, as Borstein sat in the chambers of Judge William Fulmire, the Mayflower H's Supreme Justice, listening to Howard Kalens and Marcia Quarrey argue over the finer points of the Mission's constitution, while on the surface the troops were fraternizing openly with what could become the enemy, and two years away in space the EAF starship daily drew nearer. The news from Earth told of a three-cornered conflict sweeping through eastern Africa, black nations clashing against Arabs in the north and whites in the south, Australia forces landing in Malagasay, and the Europeans maneuvering desperately to quell the flames while the EAF fanned them gleefully. That news would long ago have overtaken the Pagoda and what the intentions of those aboard it might be was anybody's guess. It wasn't a time to be fussing over ambiguous syntax and legal niceties. guard, as well. "That's the current story," Leilani said, "and we're sticking to it.
