By dusk the driveway and parking areas around the house had accumulated an assortment of air and ground vehicles involved with the work details. Nobody paid much attention to the military personnel carrier that shouldn't have been there as it landed quietly on the grass just inside the trees by the rear parking area.. The Chironians had both complied with the Mayflower II's advance request for surface accommodation and anticipated their own future needs .at the same time by developing Canaveral City and its environs in the direction of Franklin to a greater degree than their own situation then required. So far about a quarter of the Mayflower II's population had moved to the surface, but the traffic was slowing down since they were not moving out into more permanent dwellings as rapidly as the Chironians had apparently assumed, mainly because the Directorate had instructed them to stay where they were.
